## Blend Images Rights-Managed **FLEX PACKS**

[Need flexibility? Want multiple uses for your Rights-Managed image?](#) Create your own Flex Pack by choosing one or more of the usages offered. Blend Images' Flex Packs give you the ability to license the same image for multiple usages at an excellent price. Rights-Managed licensing made easy.

# FLEX PACK

## Options

### All Marketing Pack

Unlimited marketing use within the territory, industry, and duration you choose. Uses include: advertising, collateral, broadcast media, internal communication, indoor/outdoor display, web, mobile and interactive uses.

### Collateral Pack

Unlimited use within the territory, industry, and duration you choose for any collateral marketing material. This includes a brochure or direct mail piece, non-retail greeting card, or calendar, press kit or press release, external newsletter, report, or presentation, both in printed and digital form.

### Advertising Print/Product Pack

Unlimited use within the territory, industry, and duration you choose for any print advertisement, including any newspaper or magazine ad, directory ad, freestanding insert or event program ad, or similar print advertisements not intended for display purposes. Also includes product packaging.

### Advertising Indoor Display Pack

Unlimited use within the territory, industry, and duration you choose for any indoor electronic or kiosk display, tradeshow panel, presentation, or tabletop display, in-store display, poster, or POP.

### Advertising Outdoor Display Pack

Unlimited use within the territory, industry, and duration you choose for any outdoor billboard, outdoor poster, or transit ad.

### Digital Pack: Mobile, Interactive, Web Pack

Unlimited use within the territory, industry, and duration you choose for use in web, electronic or broadcast media including internet, mobile devices, television, film or presentation software (i.e. sales DVDs or CDs).

### All Internal Use Pack

Unlimited use within the territory, industry, and duration you choose for any medium intended for internal company use only.
